The Parade's Color Guard

The Volunteers

The Powhatan County Labor Day Parade 2008, pictured above, is to remind us how successful our Camp was last year in getting a great turnout to participate. This year, I pray, will be every bit as successful as last year. Compatriots, we need your help in making this happen. Our Camp has once again been made the Color Guard. I believe this is a very important message for the citizens of Powhatan. To see the American Flag being carried along, with the flags of the Confederacy, makes a statement that is a far-reaching contradiction to the lies that are continuously spread by the ignorant and by those that profit from spreading hatred.

The Cannon Report/Commander's Comments

I hope everyone had a great summer. Our Camp's June picnic was very enjoyable and the food was superb. September is a busy month for our camp with two events: The Labor Day Parade on the 7th and our camp meeting on the 27th. More info to follow on the Camp meeting in the September *Cannon Report*.

We have more Confederate State flags to carry this year. It is a lot of fun but requires a lot of walking, slightly over one-half mile (.7). The parade will start at the school located at 4135 Old Buckingham Road; however, the good news is that we are being allowed to jump into the parade at the Fire Station along Old Buckingham. This cuts our march in half. If you are able to walk and carry a flag or just walk with us, I would greatly appreciate your participation in this event. The parade starts at 11 A.M.; however, we need to be at the Fire Station at 10:00 to prepare for the march. This is one of the best vessels for letting the citizens of Powhatan County know and understand that we are a community organization. We have several members that have medical problems but still turn out for this because they realize the significance of these events. This year we will have a tent canopy and table setup at the Courthouse with the Camp's name on a banner and SCV literature. Past Commander, George Lee will man the booth along with other compatriots. Please, if you have any question, contact George Lee or myself. My cell # is 804-389-2333 or George Lee at 804-598-7922.
